

# Roll and Cover

*FUN roll and cover activities for teaching numbers to 10 this autumn. Children will learn to subitise and recognise numbers to 10. They should simply roll a 1-6 or 1-10 dice and cover the corresponding numeral with a counter or cube!*

*The following are included in colour and black and white:*

- *2 roll & cover/colour activities numbers 1-6*
- *2 roll & cover/colour activities numbers 1-10*

*Laminate the activities or place in dry-erase pockets for longevity.*

*If you have a spare minute, I would really appreciate it if you could provide some feedback. Thank you for supporting my small business!*

*I love to see my resources in action, so please tag me on Instagram (@no\_worksheets\_allowed) to show me how you used the activity!*

[\*The full 24-page version of this resource is available to buy here.\*](#)

# Terms of Use

Thank you for buying my product! By purchasing this resource, you are agreeing that the contents are the property of No Worksheets Allowed and licensed to you only for classroom/personal use as a single user. I retain the copyright, and reserve all rights to this product.

## THE ORIGINAL PURCHASER MAY:

- Make copies for their classroom, including home schooling, or tutor sessions;
- Reference (without distribution) this product in blog posts, at professional development workshops, or other such venues provided there is both credit given to myself as the author and a link back to my store included.

## YOU MAY NOT:

- Claim this work as your own, alter the files in any way, or remove/attempt to remove the copyright;
- Share this product with others;
- Repackage and/or sell or giveaway this product to others;
- Offer to share this product anywhere on the internet as a download or copy.

Thank you!
